MOTOROLA

The Multiplexx Cradle and Holster collection for Motorola's Global EDA range.

(MC3000) CHARGING DESKTOP CRADLE
Provides a convenient holder and charging base
Product ID: 0000-0523
Dimensions:
Further details on page: 3

(MC3000) VEHICLE CRADLE
The connection can be either an RS232 serial or a USB (client) connection
Product ID: 0000-0481
Dimensions:
Further details on page: 4

(MC3000G) VEHICLE CRADLE
Vehicle cradle for MC3000G with pistol grip.
Product ID: 0000-0510
Dimensions:
Further details on page: 5

(MC55/65) CHARGING VEHICLE CRADLE
Holder is mounted onto a tilt swivel to allow for adjustments.
Charging Vehicle Cradle. Fits devices with standard and extended battery
Product ID: 0000-0820
Dimensions:
Further details on page: 6

(MC55/65) PASSIVE VEHICLE CRADLE
Holder is mounted onto a tilt swivel to allow for adjustments.
Non charging vehicle cradle
Product ID: 0000-0819
Dimensions:
Further details on page: 7

(MC70/75) MOUNTABLE DESKTOP AND VEHICLE CRADLE
Vehicle cradle for MC70/75
Product ID: 0000-0522
Dimensions:
Further details on page: 8

(MC70/75) CHARGING VEHICLE CRADLE
Holder is mounted onto a tilt swivel to allow for adjustments.
Charging Vehicle Cradle, fits devices with standard and extended battery
Product ID: 0000-0525
Dimensions:
Further details on page: 9

(MC70/75) PASSIVE VEHICLE CRADLE
Holder is mounted onto a tilt swivel to allow for adjustments.
Non charging vehicle cradle (charging cable not included)
Product ID: 0000-0526
Dimensions:
Further details on page: 10

(MC9090K/S) VEHICLE TOP MOUNTABLE HOLSTER

Multiplexx Order Code: 0000-0505

Benefits of the Holster

The holster offers a convenient place to store the MC9090K/S during use around the workplace. The holster is constructed from steel and a ballistic nylon to look good in the workplace but also offer a high level of protection from knocks.

The holster has been designed to allow for it to be mounted in various locations in the work place with the pre drilled holes in the U bracket.

Holster features:

- Can be mounted onto a desktop or vehicle with the pre drilled holes.
- For use with models without pistol grip attachment.
- Adjustable holder angle to position the PDA in a convenient position.
- Loop for attaching safety strap from holster to PDA to help pre-vent accidental damage (sold separately)
- Constructed from mild steel and a ballistic nylon for protection and ergonomic fit.
